

Testimonials and Free NFR Promo

"We are excited about the **ConnectWise integration to DoubleCheck** because this enables IT Service Providers and Managed Service Providers to build strong MSP offerings. DoubleCheck integration will complete **a comprehensive and profitable MSP strategy for our users.**"

Arnie Bellini, ConnectWise, Tampa, FL

"DoubleCheck fits well into *Guaranteed Networks*, **our managed services offering**. It fulfills a critical piece of the puzzle, allowing our customers to **focus on their work, not the network.**"

Rory Sanchez, SLPowers, West Palm Beach, FL

"The DoubleCheck **NFR system is great** which makes it easier to sell. We have integrated the **DoubleCheck ASP solution into our managed services offering**. We can now talk to anyone about how spam, viruses and email misuse impacts their business."

Ted Warner, Connecting Point, Greeley, CO

"Spam is a very hot topic right now and DoubleCheck is **a winning solution**. It's great to have a reseller like NMGI in the role of a vendor. **They understand what we want and need.**"

Arlin Sorensen, Heartland Technology Solutions, Harlan, IA

"We've sold DoubleCheck to our SMB, enterprise and ISP customers. They see the value of DoubleCheck and we are **positioned as highly-valued email messaging consultants.**"

Mike Noordyke, Trivalent/REMEX Systems Group, Kentwood, MI

"DoubleCheck makes it easy to offer a **high-margin bundled email appliance** that reduces our customers' pain. Our sales and technical staff found it **easy to learn, sell and install.**"

Gary Ellis, BPI Information Systems, Brecksville, OH

"NMGI has done a great job educating our people and supporting our sales efforts. The **technical training, support and development roadmap are solid.**"

Mike Semel, Databranch, Inc., Elmira Heights, NY

"Our customers and employees like DoubleCheck because it works. We like DoubleCheck because **it's a unique solution sale with high margins**. We also appreciate the support from NMGI with our seminars, trade shows and marketing activities."

Rick Chernick, Camera Corner/Connecting Point, Green Bay, WI
